These excavations are taking place in Silwan city south of Al Aqsa Mosque between Wadi Hilwa and Al-Bustan neighborhood. The Israeli Occupation Army also implanted 50 unreal graves in the northern part of Silwan city in Jerusalem city so as to control and seize about 20 dunums of Palestinian land there. The IOA has already started its project in the area and heavy vehicles and bulldozers were seen going in and out and some of them carrying away piles of soil.

### **Israeli Settlers Violence**
