Israeli Violations' Activities in the oPt

13 June 2015

The daily report highlights the violations behind Israeli home demolitions and demolition threats in the occupied Palestinian territory, the confiscation and razing of lands, the uprooting and destruction of fruit trees, the expansion of settlements and erection of outposts, the brutality of the Israeli Occupation Army, the Israeli settlers violence against Palestinian civilians and properties, the erection of checkpoints, the construction of the Israeli segregation wall and the issuance of military orders for the various Israeli purposes.

The Violations are based on reports provided by field workers and/or news sources.

The text is not quoted directly from the sources but is edited for clarity.

The daily report does not necessarily reflect ARIJ's opinion.

Brutality of the Israeli Occupation Army

- Israeli Occupation Army (IOA) opened fire at a Palestinian while he was near Sofa terminal, east of Rafah city, south of Gaza strip. The Palestinian was injured then the IOA arrested him. (Maannews 13 June 2015)
- Israeli Occupation Army (IOA) opened fire at Palestinian farmers while they were working in their land, northeast of Al Magahzi and Al Buriy refugee camp in the central of Gaza strip. (Al-Quds 13 June 2015)

Israeli Settler Violence

- Israeli settlers armed tried to storm Othamn Ben Afan mosque in Hebron city, while the Palestinians were praying inside it. According to the recourse, the Israeli settlers were prepared to kill a number of Palestinian in this operation. (Wattan 13 June 2015)

Expansion of settlements

- Preparations for the establishment of a new settlement in Kafr Aqab town, north of Jerusalem city. Israeli sources revealed that the preparations to establish a new settlement in Kfar Aqab town, north of Jerusalem after the evacuation of a dozen of Palestinian families from their homes on the pretext that the houses built on land bought by Jews in more than a decade ago, the Israeli sourced also revealed the expansion of the Israeli settlements of Kochav Yaacov" and "Beit Horon" near Ramallah to establish 90 new settlement units. The so-called "save land fund" administered by the godfather of settlement Arieh King declared they intend to establish a new settlement in the lands of Kafr Aqab after a decision to evacuate Palestinian families adopted by Israeli courts several weeks ago and that settlers would open a port for the settlement through the wall to the city of Jerusalem. The settlement of kokhav Yaakov "; the weekly "Cool" Ha'ier " newspaper said that the construction company recently started marketing project "Nof Harim" which will be held in the settlement of kokhav Yaakov " near Ramallah city with the construction of 60 new housing units in buildings ranging from 5-7 floores. "Kokhav Yaakov" settlement located between Ar- Ram town and the Israeli settlement of Beit El, and 15 km away from Jerusalem city. Meanwhile, the weekly "Cool Ha'ier" newspaper said that the Israeli construction company "Ysdot" announced that they sale about 23 new residential units, each of which consists of 5 rooms for \$ 30 million shekels in the project "Kidmat Mod'in" in Beit Horon settlement, and expected housing by 2016, and nowadays they offer 30 residential unit housing for sale. ([NBPRS](#) 13 June 2015)
- Israeli weekly newspaper "Yroshalim" said that the Israeli committee for housing and planning approved a tourism project for "Elad" organization near the Al-Aqsa Mosque in the old city of Jerusalem. The newspaper view the details about the new project the so-called "Jib'ati parking" immediately deported off Al Magharbah gate in Jerusalem and twenty meters away from the wall of the Al-Aqsa Mosque, the so-called" visitor center ". According to the proposed scheme takes place in the "land of parking" Senior Center "visitors",

includes theatre festivals and Gallery of effects revealed during excavations carried out in the place, and a model of the old city of Jerusalem and would be open to the roof so used to watching the landscape of the region without paying a fee. The total area of the building about 16,000 square meters, which reduced the area of 1,600 square meters, to use to establish an underground parking will accommodate 250 cars.
