- Two Palestinians; Samer Hamdan and Hussien Abd Al-Qadir Al-Magni (24 years, were killed after an Israeli airstrike hit an area in Beit Hanun town, north of Gaza strip. (Wafa 13 July 2014)

- Palestinian Center for Human Rights (PCHR)** published a report about Gaza strip "Under fire"; 156 Palestinians Killed, of Whom 132 Are Civilians, Including 34 Children and 27 Women, and 938 Others Wounded, Mostly Civilians, Including 280 Children and 194 Women; **Another Family Annihilated in Gaza; 17 Members of al-Batash Family Killed by Israeli Airstrike on Their Home. 172 Houses Targeted and Destroyed and Hundreds of Others Extensively Damaged.** Israeli occupation forces have continued their offensive on the Gaza Strip for the 6th consecutive day, and have continued the policy of collective punishment in disregard for the international law and humanitarian law, which ensure protection for civilians in times of war. Israeli forces have escalated their aerial, ground and sea attacks throughout the Gaza Strip, causing more civilian casualties and damaging civilian property. In another crime, Israeli warplanes bombarded a house belonging to the al-Batash family in Gaza City without a prior warning, when worshippers were exiting a nearby mosque. As a result, 17 members of the family were killed and dozens of civilians were wounded. This morning, Israeli warplanes dropped flyers in border areas in the Gaza Strip, especially in the north, demanding the population to leave their houses and move to the centers of cities, as they intend to carry out military operations in these areas. Hundreds of Palestinian civilians were forced to go to safe shelters. Such threats and warnings may lead to more forcible displacement of Palestinian civilians. In light of the increasing numbers of casualties, PCHR points out that according to senior medical sources, many of the victims are brought to the hospital suffering from unclean and lacerate injuries that cause severe hemorrhage and shrapnel cannot be seen through the X-rays, while there have been many cases of amputation of limbs. PCHR is concerned that Israeli forces might use the Dense Inert Metal Explosives (DIME) against Palestinian civilians, as Israeli forces had used this weapon during "Operation Cast Lead" (2008-2009). From 10:00 on Saturday, 12 July 2014 to 10:00 on Sunday, 13 July 2014, 43 Palestinians, including 39 civilians, were killed. The civilian victims include 9 children and 9 women. Additionally, 139 Palestinians, mostly civilians, were wounded – this number includes 31 children and 29 women. Israeli warplanes also targeted and destroyed 23 houses. The latest developments since the press release issued by PCHR yesterday noon have been as follows: **The Northern Gaza Strip:** Israeli warplanes launched 55 airstrikes and Israeli tanks and gunboats fired dozens of shells targeting houses, agricultural plots and a mosque. As a result of these attacks, a child and a member of a Palestinian armed group were killed, and 27 Palestinians, including 9 children and 5 women, were wounded. Eight houses were targeted, and 5 of them

were destroyed. A mosque was also destroyed. And offices of a number of institutions were also destroyed. The most significant attacks were as follows: an Israeli drone launched a missile at a house belonging to Wasfi al-Nuthor in Jabalya. The house was damaged. An Israeli drone launched a missile at a house belonging to the al-Louqa family in Sheikh Zayed town in Beit Lahia. The house was damaged. Israeli drones launched 3 missiles at a 2-storey house belonging to Nizar Mohammed al-Zain in Beit Lahia. A few minutes later, an Israeli warplane launched a missile at the house and destroyed it.
