- **Worst and Bloodiest Day Since the Beginning of the Offensive. On the 13<sup>th</sup> Day of the Israeli Offensive: Israeli Forces Continue Ground Operations in the Gaza Strip Covered by Violent Shelling; Mass Killings in al-Shuja'iyah Neighborhood in Gaza and Dozens of Dismembered Bodies Are in the Streets; Reports of 50 Palestinian Deaths, but PCHR Has Documented 29 Deaths; More Palestinian Civilians Forcibly Displaced from Border Areas. Since the Beginning of the Israeli Offensive on Gaza: 368 Palestinians Killed, of Whom 299 Are Civilians, Including 84 Children and 43 Women, and 2,340 Others Wounded, Mostly Civilians, Including 679 Children and 478 Women; 389 Houses Targeted and Destroyed and Hundreds of Others Extensively Damaged. Thousands of Palestinian Civilians Forcibly Displaced.** Israeli occupation forces have continued their brutal and immoral offensive on the Gaza Strip for the 13<sup>th</sup> consecutive day, and have continued the policy of collective punishment in disregard for the international law and humanitarian law, which ensure protection for civilians in times of war, and in violation of the principles of necessity, proportionality and distinction. Israeli forces have continued their aerial, ground and sea attacks throughout the Gaza Strip, causing more civilian casualties and damaging civilian facilities, including houses. Since last night, Israeli forces have launched unprecedented attacks on al-Shuja'iyah neighborhood in the east of Gaza City. The neighborhood has been subjected to intensive aerial and ground shelling. Dozens of Palestinian civilians have been killed or wounded, and medical crews and the ICRC have not been able to attend them. Women were seen taking their children out to flee from the area, and some of them were killed. People who were not able to leave the area have been trapped under the Israeli shelling and their destinies are unknown. This morning, Israeli forces ordered Palestinians living in Khuza'a village, east of Khan Yunis, to leave their homes and move to the center of the town. The number of forcibly displaced Palestinian civilians in border areas has amount to approximately 130,000. This number is expected to rise in light of the indiscriminate Israeli shelling of populated area, and threats to the populations to leave their homes. The majority of displaced people have sheltered in UNRWA schools and centers, which cannot provide them with minimum services. So, their living conditions are expected to deteriorate. Due to the indiscriminate and intense Israeli shelling, several public and service institutions, including municipalities, have suspended their activities, as 3 municipalities workers were killed in Rafah al-Boreij. This decision will lead to a real crisis in regards to

providing drinking water, cleaning and sanitation. Additionally, more than one third of the Gaza Strip's population lack electricity supplies as Israeli forces damaged major electricity lines and obstructed their repair. From 10:00 on Saturday, 19 July 2014 to 10:00 on Sunday, 20 July 2014, according to what PCHR has been able to document, 65 Palestinians, 50 of whom are civilians, including 13 children and 8 women, were killed. Additionally, 282 Palestinians, mostly civilians, were wounded – this number includes 64 children and 72 women. Israeli warplanes also targeted and destroyed 30 houses. The latest developments since the press release issued by PCHR yesterday noon have been as follows: **The Northern Gaza Strip:** Israeli warplanes launched 15 airstrikes and Israeli tanks and gunboats fired dozens of shells targeting houses, agricultural plots and open areas. As a result of these attacks, 14 Palestinians, including 13 civilians, were killed – the civilian victims include 5 children and 2 women.
