- On the 18th Day of the Israeli Offensive on Gaza: Israeli Warplane Attack Shelter of Displaced Civilians Killing 11 and Wounding Dozens; Israeli Forces Attack Medical Crews and Ambulances; Israeli Forces Attack Gaza from the Air, the Sea and the Ground; **Since the Beginning of the Israeli Offensive on Gaza: 808 Palestinians Killed, of Whom 666 Are Civilians, Including 194 Children and 107 Women, and 4,417 Others Wounded, Mostly Civilians, Including 1,280 Children and 892 Women; 552 Houses Targeted and Destroyed and Hundreds of Others Extensively Damaged; Thousands of Palestinian Civilians Forcibly Displaced.** Israeli occupation forces have continued their brutal and immoral offensive on the Gaza Strip for the 18th consecutive day, and have continued the policy of collective punishment in disregard for the international law and humanitarian law, which ensure protection for civilians in times of war, and in violation of the principles of necessity, proportionality and distinction. Israeli forces have continued their aerial, ground and sea attacks throughout the Gaza Strip, causing more civilian casualties and damaging civilian facilities. Israeli forces escalated their attacks throughout the Gaza Strip. They attacked civilians, houses and other civilian facilities. In a new serious crime, Israeli forces attacked a shelter for displaced civilians at an UNRWA school in the northern Gaza Strip, killing 11 civilians, including 7 children and 2 women, and wounding dozens of others. Israeli forces also attacked hospitals, medical crews and houses. Israeli warplanes bombarded a number of houses without prior warnings. Israeli forces continued their incursions in several areas in the Gaza Strip, and more Palestinian civilians were forced to leave their homes in border areas. The ICRC and medical crews have not been allowed in some areas that were subject to Israeli attacks in order to recover dead and wounded Palestinian civilians. These areas, especially al-Shuja'iya neighborhood in the east of Gaza City, and Khuza'a village east of Khan Yunis, have been subjected to continuous Israeli attacks. PCHR field workers have been unable to collect information from border areas in the Gaza Strip, because the situation is extremely dangerous in these areas. The following details are based on the information which the field workers have been able to collect. From 10:00 on Thursday, 24 July 2014 to 10:00 on Friday, 25 July 2014, according to the information PCHR has been able to obtain, 65 Palestinians, 61 of whom are civilians, including 18 children and 11 women, were killed. Additionally, 471 Palestinians, mostly civilians, were wounded – this number includes 150 children and 88 women. Israeli warplanes also targeted and destroyed 28 houses. The latest developments since the press release issued by PCHR yesterday noon have been as follows: **The Northern Gaza Strip:**

Israeli warplanes launched 13 airstrikes and Israeli tanks and gunboats fired dozens of shells targeting houses, an UNRWA shelter, agricultural plots and open areas.
