Expansion of settlements

- **New housing units in Jerusalem may risk relations with US following generous military aid deal.** This decision comes less than a day after Israel and the US signed the largest military aid deal in their history. The Jerusalem Planning and Building Committee is expected to approve dozens of new housing units in a neighborhood located beyond the Green Line, a move likely to evoke new tension with the United States. This comes less than a day after the two allies signed the largest military aid deal in US history. On Thursday, a senior official with the Jerusalem municipality told Channel 2 News that the city intends to "unfreeze" these construction plans, which have been awaiting approval for a long time, and carry them out one by one until the new administration at the White House takes office. Under the new military aid deal, Israel will receive $3.8 billion from the US over a period of 10 years, between 2019 and 2029. **([Jerusalem Online](#) 16 September 2016)**
