## Israeli Violations' Activities in the oPt 27 January 2017

The daily report highlights the violations behind Israeli home demolitions and demolition threats in the occupied Palestinian territory, the confiscation and razing of lands, the uprooting and destruction of fruit trees, the expansion of settlements and erection of outposts, the brutality of the Israeli Occupation Army, the Israeli settlers violence against Palestinian civilians and properties, the erection of checkpoints, the construction of the Israeli segregation wall and the issuance of military orders for the various Israeli purposes.

*The Violations are based on reports provided by field workers and/or news sources.*

*The text is not quoted directly from the sources but is edited for clarity.*

*The daily report does not necessarily reflect ARIJ's opinion.*

### Brutality of the Israeli Occupation Army

- The Israeli Occupation Army (IOA) injured dozens of Palestinians with rubber-coated steel bullets and gas bombs, at the main entrance of Jericho city, northwest of the Dead Sea in the occupied West Bank, after the army attacked Palestinian protesters. The IOA used excessive force against the nonviolent protesters, who marched against the ongoing occupation, while carrying Palestinian flags and chanting for the

liberation of Palestine, and its occupied capital, Jerusalem. (IMEMC 27  
January 2018)
