Israeli Violations' Activities in the oPt

21 July 2018

The daily report highlights the violations behind Israeli home demolitions and demolition threats in the occupied Palestinian territory, the confiscation and razing of lands, the uprooting and destruction of fruit trees, the expansion of settlements and erection of outposts, the brutality of the Israeli Occupation Army, the Israeli settlers violence against Palestinian civilians and properties, the erection of checkpoints, the construction of the Israeli segregation wall and the issuance of military orders for the various Israeli purposes.

The Violations are based on reports provided by field workers and/or news sources.

The text is not quoted directly from the sources but is edited for clarity.

The daily report does not necessarily reflect ARIJ's opinion.

Brutality of the Israeli Occupation Army

- The Israeli Occupation Army (IOA) detained a driver who works for the Education Ministry in Qabatia town, south of the northern West Bank city of Jenin, after attacking him, and breaking one of his ribs, in al-Khan al-Ahmar near occupied Jerusalem. The IOA assaulted Sari Omar Kamil, 30, while attending a nonviolent activity in al-Khan al-Ahmar Palestinian community, facing Israeli demolition and displacement. The IOA stopped Kamil at the entrance of al-Khan al-

Ahmar, after he tried to remove one of the police barriers, and frequently assaulted him, in addition to using their tasers on him. The IOA took Kamil to Ofer detention center, despite his need to urgent medical attention, especially since the soldiers broke one of his ribs. (IMEMC 21 July 2018)

- The Israeli Occupation Army (IOA) caused several Palestinians to suffer the severe effects of teargas inhalation, after the army invaded Beit Ummar town, north of the southern West Bank city of Hebron. The IOA invaded the al-Madabe' area, in the western part of Beit Ummar, and installed a roadblock, before stopping and searching dozens of cars, and photographed their license plates and registration documents. Many Palestinians protested the invasion, and hurled stones at the soldiers, who fired gas bombs and concussion grenades. Many residents suffered the effects of teargas inhalation. (IMEMC 21 July 2018)
- The Israeli occupation army (IOA) shelled a site in the Malaka area, in eastern Gaza City, central Gaza Strip, on Saturday morning. One shell was fired at the site, and no injuries were reported. The shelling comes hours after a ceasefire was reached, between Israel and Palestinian factions in the Gaza Strip, following a violent night. (IMEMC 21 July 2018)

Israeli Arrests

- The Israeli occupation army (IOA) detained a Palestinian man with Down Syndrome, and repeatedly beat him until breaking his wrist, in Hebron city, in the southern part of the occupied West Bank. The IOA detained Mahmoud Zayed in Bab az-Zawiya area, in the center of Hebron city. The wounded Palestinian man posed no threat to the IOA, and was just walking in the Old City, when he was violently assaulted by them. (IMEMC 21 July 2018)
