Israeli Violations' Activities in the oPt

1 September 2018

The daily report highlights the violations behind Israeli home demolitions and demolition threats in the occupied Palestinian territory, the confiscation and razing of lands, the uprooting and destruction of fruit trees, the expansion of settlements and erection of outposts, the brutality of the Israeli Occupation Army, the Israeli settlers violence against Palestinian civilians and properties, the erection of checkpoints, the construction of the Israeli segregation wall and the issuance of military orders for the various Israeli purposes.

The Violations are based on reports provided by field workers and/or news sources.

The text is not quoted directly from the sources but is edited for clarity.

The daily report does not necessarily reflect ARIJ's opinion.

Brutality of the Israeli Occupation Army

- The Israeli Occupation Army (IOA) shot and seriously injured a Palestinian female medic, east of Rafah, in the southern part of the Gaza Strip, during their excessive use of force against the Great Return March in the coastal region. The medic, identified as Shorouq Abu Mosameh, was seriously injured after the IOA shot her with a live round in the chest, which exited through her back. (IMEMC 1 September 2018)

- using excessive lethal force against the peaceful protesters in eastern Gaza Strip, Israeli Occupation Army (IOA) wounded 75 civilians, including 16 children, a journalist and 2 paramedics; one of them was a female paramedic who sustained serious wounds, after hitting them with live bullets and direct tear gas canisters. Two of those wounded sustained serious wounds. Moreover, dozens of civilians suffered tear gas inhalation. During this week, the IOA continued to target medical personnel working in the field. Moreover, an ambulance sustained damage after directly targeting it in eastern Jabalia, indicating that there is a systematic Israeli policy to target medical personnel and obstruct their humanitarian work, which is protected under the rules of international humanitarian law. (IMEMC 1 September 2018)
- The Israeli Occupation Army (IOA) Injured a child, only 12 years of age, with a concussion grenade in his head, during the weekly nonviolent procession against the Annexation Wall and Colonies, in Ni'lin village, west of the central West Bank city of Ramallah. Dozens of Palestinians, accompanied by Israeli and international peace activists, held the weekly procession in the village, and headed towards the Palestinian orchards isolated behind the illegal Annexation Wall. Israeli soldiers resorted to the excessive use of force and fired many gas bombs and concussion grenades at the nonviolent protesters, wounding a child with a concussion grenade in the head.
