## Israeli Violations' Activities in the oPt

1 June 2019

The daily report highlights the violations behind Israeli home demolitions and demolition threats in the occupied Palestinian territory, the confiscation and razing of lands, the uprooting and destruction of fruit trees, the expansion of settlements and erection of outposts, the brutality of the Israeli Occupation Army, the Israeli settlers violence against Palestinian civilians and properties, the erection of checkpoints, the construction of the Israeli segregation wall and the issuance of military orders for the various Israeli purposes.

*The Violations are based on reports provided by field workers and/or news sources.*

*The text is not quoted directly from the sources but is edited for clarity.*

*The daily report does not necessarily reflect ARIJ's opinion.*

This DAILY REPORT is prepared as part of the project entitled *Advocating for a Sustainable and Viable Resolution of Israeli-Palestinian Conflict* which is financially supported by the EU. However, the content of this presentation is the sole responsibility of ARIJ & LRC and does not necessarily reflect those of the donors.

## Brutality of the Israeli Occupation Army

- The Israeli Occupation Army (IOA) attacked, the weekly protest against the Annexation Wall and colonies, in the northern West Bank village of Kufur Qaddoum, east of Qalqilia city. The peaceful demonstration was attacked by Israeli occupation Army (IOA), who shot rubber-coated steel bullets and high-velocity tear-gas canisters, injuring four Palestinians. All the injured protesters were treated at the scene, while many others suffered the suffocating effects of tear-gas inhalation. (IMEMC 1 June 2019)
- Seven Palestinians, including one child, were injured by live ammunition as Israeli occupation Army (IOA) attacked the hundreds of protesters participating in the weekly Great March of Return at the eastern border of the Gaza Strip. Hundreds of Palestinian protesters gathered at several locations along the Israeli/Gaza border, while the IOA fired live ammunition and rubber-coated steel bullets from border watchtowers and armored military vehicles. Some of the protesters hit with live bullets were treated in field hospitals, while others were transferred to the nearest medical facility in Gaza. (IMEMC 1 June 2019)

## Israeli Arrests

- The Israeli Occupation Army (IOA) invaded the village of Abwein, northwest of the central West Bank city of Ramallah, and detained the father of the young Palestinian man, who was killed a day earlier in occupied Jerusalem. Dozens of IOA invaded the village, before storming and ransacking the home of Wajeih Sohweil, the father of Yousef, 18, who was killed in Jerusalem, and detained him. The Israeli army apparently intends to demolish the home in an act of illegal collective punishment, similar to previous incidents where homes of Palestinians who attacked or believed to have attacked Israelis, including soldiers, were destroyed. The IOA fired many live rounds, rubber-coated steel bullets and gas bombs at dozens of

Palestinian youngsters, who protested the invasion, and hurled stones at the invading army jeeps. (IMEMC 1 June 2019)

- The Israeli Occupation Army (IOA) detained two young Palestinian men, including a former political prisoner, from Jenin refugee camp, in Jenin governorate, in northern West Bank. The IOA detained a former political prisoner, identified as Morad Tawalba, while heading to Jerusalem to pray in Al-Aqsa Mosque. The detained former political prisoner is also a member of the Executive Committee of the Popular Services Commission in Jenin refugee camp. In addition, the IOA detained a young man, identified as Abdullah al-Jar, also while trying to enter Jerusalem, on his way to the Al-Aqsa Mosque. (IMEMC 1 June 2019)
