Israeli Arrests

- The Israeli Occupation Army (IOA) detained a Palestinian woman from Abu Dis town, east of occupied East Jerusalem. The IOA invaded Abu Dis town, before breaking into and searching a few homes, and detained a woman, identified as Raja' Omar, before moving her to the al-Maskobiyya detention and interrogation facility in West Jerusalem. (IMEMC 29 May 2019)
- The Israeli Occupation Army (IOA) detained three Palestinian children from the courtyard of the Al-Aqsa Mosque, in the occupied city, allegedly for entering the city without permits. (IMEMC 29 May 2019)

Home Demolition & Demolition threats

- The Israeli Occupation Army (IOA) displaced fifteen Palestinian Bedouin families from their homes and dwellings, in the West Bank's Northern Plains, so that the army can conduct extensive live-fire military drills. The military training, which includes the use of live fire and explosives, started at seven in the morning. Many tanks are also part of the drills. The training is being held in Hamsa, Wadi al-Maleh, Khirbat Samra and Masharef ar-Ras al-Ahmar. The army also prevented the Palestinian families from entering the grazing grounds in the area. (IMEMC 29 May 2019)
- The Israeli Occupation Army (IOA) seized a tent belonging to citizen Ibrahim Khalil, from Nazareth, in the lands of 1948, near Al Asbat Gate in occupied East Jerusalem. Khalil set up the tent at the nearest point to Al-Aqsa Mosque four days ago, after he banned entry to Al Aqsa Mosque. The IOA raided his tent, dismantled and seized it, and fined him. Other

- **Annexing Parts of the West Bank's Area C:** An Israeli National Interest: The Commanders for Israel's Security movement has

appealed to Prime Minister Benjamin Netanyahu with a much-publicized warning based on a new false assertion: that annexation of parts of the West Bank would endanger the residents of Israel. Only a few weeks ago, in the midst of the election campaign, this group inundated the country with billboards and posters mounted on buses, at a cost of millions of shekels, telling voters that the elections would spell the difference between separation and annexation. No one had any doubt which side they were trying to help. A considerable majority of the Israeli people chose to ignore the recommendations of the former *bit'honistim* (security experts). Nor did the three former chiefs of staff at the helm of the Blue and White Party, who enjoyed the open support of three other retired chiefs of staff, manage to get public opinion on their side and achieve the parliamentary majority needed to implement the recommendations of the former senior defense officials who favor additional withdrawals. This controversy has two aspects. The first has to do with the overall vision of Israel and Israeli national security. ([ALGEMEINER](#) 29 May 2019)
