A settler ran over Jana Abu Loha, 6, as she was passing near the entrance connecting between the villages of Jabaa and Surif, which necessitated her transfer to a hospital for medical treatment. The entrance was previously closed by the Israeli authorities by an iron gate, which forced the child, as is the case for other Palestinian residents there, to take an alternative road heavily used by vehicles, which puts their lives at risk of being run over. The girl's medical condition remains unknown until the moment. (Wafa 22 August 2019)

Home Demolition & Demolition threats

- The Israeli occupation army (IOA) removed by force, Palestinian vegetable stands and vendors at Wadi al-Khalil military crossing, south of Dhahriyeh in the southern occupied West Bank. The removal of the stands, will result in the vendors and their families losing their sole source of income, estimated in the thousands of dollars. The stands used to serve hundreds of Palestinian workers who daily cross the military checkpoint to work in Israel and return home in the afternoon, buying their home needs from the vendors. The occupation army instructed the vendors not to return to that area. (IMEMC 22 August 2019)
- The Israeli Occupation Army (IOA) demolished two Palestinian homes in Beit Hanina town, north of occupied East Jerusalem. Dozens of IOA, police officers and undercover troops invaded al-Aqaba neighborhood in Beit Hanina and surrounded two homes owned by members of Rajabi family, after closing all roads leading to them. The IOA forced the families out of their homes, and demolished the properties, rendering twelve Palestinians, including three children, homeless. Ibrahim Rajabi, said he lived in his demolished home along with his wife, child, brother and sisters, and added that his other brother, and his family, lived in the second demolished property. Rajabi stated that his demolished home was 200 square/meters, and was built fifteen years ago, and added that he and his brother have been trying to obtain all needed permits and pay the fines, and even had a hearing at an Israeli court nearly three months ago. Although no final ruling was made, the family was surprised by the soldiers who invaded their property, forced them out and started demolishing the buildings. The Rajabi family said that it managed to delay

the demolition for two hours, after the soldiers already destroyed parts of the property, and added that the District Court in occupied Jerusalem halted the destruction. However, the City Council in occupied Jerusalem demanded the family to pay a fine of 50.000 Shekels to postpone the demolition, and to leave the property, but the family was unable to do so, and the demolitions proceeded.
