### **Israeli Settler Violence**

- Ultra-Orthodox Jewish rabbi and Knesset member Yehuda Glick desecrated the Aqsa Mosque's courtyards along with other settlers. A group of settlers led by Glick entered the Mosque through al-Maghariba Gate and toured its courtyards under tight police protection. 62 settlers escorted by police forces stormed the Aqsa Mosque in different groups. (PALINFO 3 December 2019)

### **Home Demolition & Demolition threats**

- The Israeli Occupation Army (IOA) demolished, a water reservoir in the Tubas meadows, in northeastern West Bank. Several army jeeps, and bulldozers invaded the area, and demolished the reservoir, owned by Adnan Sawafta. The destroyed water reservoir, located in Einoun area, had the capacity to store 1000 cubic meters of water, and was used for irrigating hundreds of Dunams of farmlands in Tubas Meadows. This is the second time the army demolishes the reservoir in the last few months under various allegations, especially since Israel is trying to confiscate more lands for the construction and expansion of its illegal settlements, built on occupied lands in direct violation of International Law. (IMEMC 3 December 2019)

### **Israeli Military Orders**

- The Israeli Occupation Army (IOA) issued, orders for the illegal annexation of Palestinian lands in the al-Jab'a village, southwest of Bethlehem, in the occupied West Bank. The IOA posted the orders on lands owned by Palestinians from Abu Loha and Hmeidan families. The lands Israel is confiscating are four Dunams (0.92 Acres) from the two families, and that the army intends to convert them into a parking lot close to a nearby permanent military roadblock. Nearby a month ago, the army issued orders for the confiscation of more than 2000 Dunams (494.2 Acres) from the villagers in al-Jab'a, for what the army called "military purposes." (IMEMC 3 December 2019)

### **Confiscation & Razing of lands**

- The Israeli occupation authority (IOA) resumed the construction of a road for Jewish settler on annexed Palestinian-owned lands in Umm Safa village, northwest of Ramallah in the West Bank. Israeli bulldozers and other heavy construction vehicles escorted by troops and settlers embarked on resuming the construction of the road, which is more than two kilometers long. The road, whose construction started about six months ago, will go from the illegal settlement of N'betsof near Umm Safa village to al-Qastal Mount. (PALINFO 3 December 2019)

### **Expansion of settlements**

- The Israeli Channel 7 unveiled an Israeli plan, to make additions inside the Ibrahimi Mosque in the center of Hebron. The project, worth approximately 500,000 shekels (NIS), includes designing an elevator among other additions, exclusively for the use of illegal Israeli settlers." The occupation authorities are accelerating the pace of annexing large parts of Hebron, especially in the central area where the old city is located. (IMEMC 3 December 2019)
- The Israeli occupation army has verbally ordered a Palestinian storeowner to close the doors of his business near the Ibrahimi Mosque in the Old City of Hebron as a prelude to carrying out its plan to build a Jewish settler neighborhood in the area. The army ordered the storeowner to shut down his store permanently as part of a plan to seize scores of homes and stores near the Ibrahimi Mosque and the central wholesale market in al-Shuhada

street in order to build a neighborhood for Jewish settlers. (PALINFO 3 December 2019)

### **Erection of Israeli checkpoints**

- The Israeli Occupation Army (IOA) invaded many neighborhoods in Hebron city, and installed roadblocks on the entrances of Sa'ir and Halhoul towns, in addition to Jouret Bahlas area, north of Hebron, and al-Fahs area, south of the city, before stopping and searching dozens of cars, and interrogated many Palestinians while inspecting their ID cards.
