

# A record of Israeli violations of The Human Rights Charter in Palestine

2015-2019

**39,146**  
Dunums

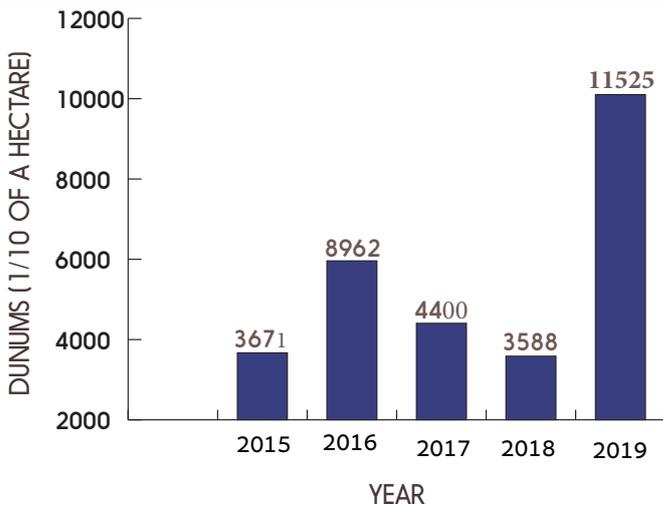

**43,626**  
Tree

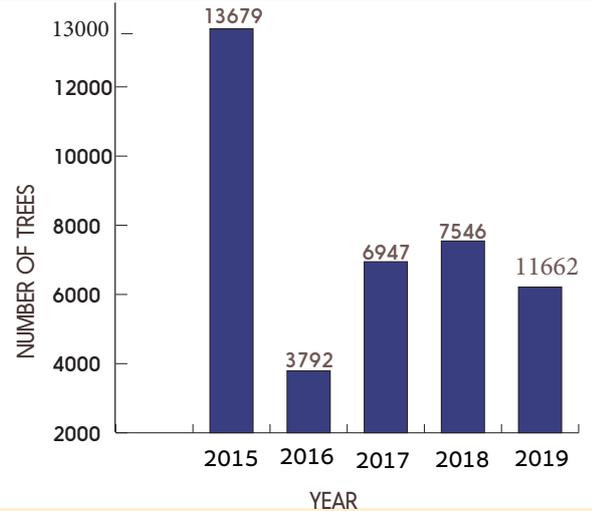

**1,612**  
House

Area of Confiscated Land

Number of Uprooted Trees

Number of Demolished Homes

Number of Demolished Houses

*Since the signature of the OSLO accord in 1993, consecutive Israeli violations of the Human Rights Charter including land confiscation, uprooting trees and house demolition, have turned the Palestinian land and communities into disconnecting cantons ravaged by the frequent collective punishment of closures, house demolitions, uprooting of trees and land confiscations.*
