Israeli Violations' Activities in the occupied State of Palestine

7 March 2020

The daily report highlights the violations behind Israeli home demolitions and demolition threats in the occupied Palestinian territory, the confiscation and razing of lands, the uprooting and destruction of fruit trees, the expansion of settlements and erection of outposts, the brutality of the Israeli Occupation Army, the Israeli settlers violence against Palestinian civilians and properties, the erection of checkpoints, the construction of the Israeli segregation wall and the issuance of military orders for the various Israeli purposes.

The Violations are based on reports provided by field workers and/or news sources.

The text is not quoted directly from the sources but is edited for clarity.

The daily report does not necessarily reflect ARIJ's opinion.

This DAILY REPORT is prepared as part of the project entitled ASSESSING THE IMPEDIMENTS BEFORE THE TWO-STATE SOLUTION which is financially supported by the EU. However, the content of this presentation is the sole responsibility of ARIJ & LRC and does not necessarily reflect those of the donors.

Violations of the Israeli occupation Army

- The Israeli Occupation Army (IOA) raided student dormitories at Birzeit University in Ramallah, in the central West Bank, and detained five students. Israeli troops kidnapped five students at Birzeit University in Ramallah. The Israeli military raided a number of student dormitories in Ramallah, searched them and detained five students. The detainees have been identified as Ahmad Farah, Mohammad Naser, Osaid Qaddumi, Barakat Raed and Rayyan Kharboush. Israeli authorities gave no reason for the abductions of the students. - Dozens of Palestinians suffocated by tear gas used against them by Israeli Occupation Army (IOA) during clashes that broke out in al-Issawiyeh area in occupied Jerusalem. The IOA stormed several neighborhoods in Issawiyeh and assaulted residents, leading to clashes. Forces heavily fired stun grenades and tear gas canisters directly toward residents and their homes, causing dozens to suffocate due to tear gas inhalation.(Wafa 7 March 2020)
- Israeli navy attacked Palestinian fishermen's boats off the northern Gaza coast. The navy opened fire and water hoses at the boats that were sailing only three nautical miles off the coast and forced them to return to shore. One boat was damaged. Israel imposes a strict blockade on the Gaza Strip for the last 14 years, including occasionally not allowing fishing in Gaza waters, a main source of livelihood for the two million population of the beleaguered coastal enclave.
