Israeli Violations' Activities in the occupied State of Palestine

11 September 2020

The daily report highlights the violations behind Israeli home demolitions and demolition threats in the occupied Palestinian territory, the confiscation and razing of lands, the uprooting and destruction of fruit trees, the expansion of settlements and erection of outposts, the brutality of the Israeli Occupation Army, the Israeli settlers violence against Palestinian civilians and properties, the erection of checkpoints, the construction of the Israeli segregation wall and the issuance of military orders for the various Israeli purposes.

The Violations are based on reports provided by field workers and/or news sources.

The text is not quoted directly from the sources but is edited for clarity.

The daily report does not necessarily reflect ARIJ's opinion.

This DAILY REPORT is prepared as part of the project entitled ASSESSING THE IMPEDIMENTS BEFORE THE TWO-STATE SOLUTION which is financially supported by the EU. However, the content of this presentation is the sole responsibility of ARIJ & LRC and does not necessarily reflect those of the donors.

Violations of the Israeli occupation Army

- A Palestinian young man was injured after Israeli occupation Army (IOA) directly hit him by a teargas canister near the village of Qaffin, near the city of Tulkarm in the occupied West Bank. Osama Fathi Sabbah sustained injuries in his mouth and face after he was hit by the teargas canister by the IOA. (WAFSA 11 September 2020)
- In Qalqilya, the Israeli occupation Army (IOA) suppressed the weekly Kafr Qaddum march in the east. Four civilians were wounded including a journalist, and dozens suffered gas suffocation. (PALINFO 11 September 2020)
- In Hebron in the southern occupied West Bank, several Palestinian citizens suffered from their exposure to tear gas during clashes with the Israeli occupation Army (IOA) in the Bab Al-Zawiya area in the city center. (PALINFO 11 September 2020)
- The Israeli occupation Army (IOA) suppressed the weekly anti-settlement march that started after the Friday prayers in front of the military gate built at the western entrance of Haris town in Salfit Governorate. The IOA closed the military gate at the western entrance to the town and prevented dozens of people from accessing their lands. (PALINFO 11 September 2020)

Israeli Settler Violence

- Israeli settlers attacked Palestinian cars on the road between Jenin and Nablus. A number of settlers from "Homesh" settlement attacked vehicles from zero distance with stones and empty bottles, which led to the destruction of 10 vehicles, and many others, were damaged without any injuries reported. (PALINFO 11 September 2020)
- Israeli settlers assaulted Palestinian citizens in Birin village in Masafer Yatta south of Hebron and installed tents in the area in attempt to confiscate the land. The tents were installed on 5-dunums land belonging to Adnan Muhammad d Deik. Settlers also fired at citizen Ad Deik and threatened to kill him if he ever comes back to his land. (WAFSA 11 September 2020)

- Israeli settlers continued to plant more trees on Palestinian lands in Kherbit Ihmayer area in Al Farisiya in the northern Jordan Valley. Settlers already started their activities in the area two months ago when they forcibly installed tin-shacks and planted tens of seedlings in the area in an attempt to confiscate it. (Wafa 11 September 2020)
