## **Violations of the Israeli occupation Army**

- The Israeli Occupation Army (IOA) killed a Palestinian teen, and injured at least two others, in Deir Abu Mashal town, west of Ramallah, in central West Bank. The corpse of the slain Palestinians remains in the hands of the Israeli army. The teen Mohammad Damer Matar, 17, died from serious wounds he suffered after the IOA shot him with live fire after the IOA and undercover officers invaded the town. The Palestinian teen was one of at least three who were shot by the IOA, during protests that erupted after the army invaded their town. Two Palestinians were injured; one of them suffered a moderate-but-stable injury, and the second suffered mild wounds. The Palestinian medics were never able to reach the slain Matar and provide him with the urgently-need treatment, as he was taken by the IOA, and the family was officially informed of his death the next day. ## **Home Demolition & Demolition threats**

- The Israeli occupation army (IOA) demolished a Palestinian-owned storehouse in Atouf hamlet, south of Tubas in the West Bank. An Israeli bulldozer escorted by IOA knocked down a 150-square-meter storehouse belonging to a local resident called Khalil Bani Odeh in Atouf hamlet. (PALINFO 20 August 2020)
