## Israeli Violations' Activities in the occupied State of Palestine

1 September 2021

The daily report highlights the violations behind Israeli home demolitions and demolition threats in the occupied Palestinian territory, the confiscation and razing of lands, the uprooting and destruction of fruit trees, the expansion of settlements and erection of outposts, the brutality of the Israeli Occupation Army, the Israeli settlers violence against Palestinian civilians and properties, the erection of checkpoints, the construction of the Israeli segregation wall and the issuance of military orders for the various Israeli purposes.

*The Violations are based on reports provided by field workers and/or news sources.*

*The text is not quoted directly from the sources but is edited for clarity.*

*The daily report does not necessarily reflect ARIJ's opinion.*

This DAILY REPORT is prepared as part of the project entitled ASSESSING THE IMPEDIMENTS BEFORE THE TWO-STATE SOLUTION, which is financially supported by the EU. However, the content of this presentation is the sole responsibility of ARIJ & LRC and does not necessarily reflect those of the donors.

## Violations of the Israeli occupation Army

- The Israeli Occupation Army (IOA) killed a Palestinian close to Beit Ur al-Tahta village, west of the West Bank city of Ramallah in the early hours of the day. The IOA gunned down 39-year-old Raed Jadallah from a distance at the western entrance of the village, and left him to bleed to death. Jadallah, a father of four children, was coming home from his work in the occupied city of Jerusalem and crossing one of the military-controlled crossing points when he was killed by the Israeli military, according to Beit Ur Municipality. (WAFA 1 September 2021)
- Dozens of Palestinian protesters suffered suffocation as Israeli occupation Army (IOA) attacked hundreds of protesters demonstrating for the second week at the east border of Gaza in protest of the 14-year Israeli blockade. The IOA stationed along the borderline opened gunfire and teargas at the protesters to disperse them, causing several cases of suffocation from gas inhalation. At least one fatality and 80 injuries have been reported among Palestinian protesters during the ongoing border protests during the last two weeks. (WAFA 1 September 2021)
- The Israeli occupation Army (IOA) detained the principal of a secondary school after storming the school campus in the East Jerusalem neighborhood of Wadi al-Joz, under the flimsy pretext of meeting personnel from the Palestinian Ministry of Education. While in the school campus, the police officers seized several computers and files as they ransacked the school buildings. (WAFA 1 September 2021)
- The Israeli occupation Army (IOA) rounded up two Palestinians after breaking into and ransacking the houses of their families in Beit Rima and Kobar towns, northwest and west of Ramallah city respectively. (WAFA 1 September 2021)
- Israeli occupation Army (IOA) opened fire at a Palestinian at a military checkpoint at the entrance of Ni'lin town, west of the city. The casualty was identified as a resident of the town. (WAFA 1 September 2021)
- The Israeli occupation Army (IOA) barged their way into Fandaqumiya village, southwest of the city, where they detained a woman. The detainee was identified as the wife of a prisoner from the nearby town of Jaba'. Another Palestinian was detained as he attempted to cross the Mavo Dothan checkpoint, southeast of Yaabad town. (WAFA 1 September 2021)

- In the southern West Bank, Israeli occupation Army (IOA) conducted a raid in the Bethlehem city neighborhood of As-Saff, resulting in the detention of two others. (Wafa 1 September 2021)
- The Israeli Occupation Army (IOA) shot, three young men with live fire, and caused dozens to suffer the effects of tear gas inhalation, during protests near the perimeter fence, east of the al-Boreij refugee camp, in central Gaza. The IOA stationed behind sand hills, and in fortified military barricades in military camps across the fence, fired dozens of live rounds and high-velocity gas bombs at Palestinian protesters, near the fence, east of the refugee camp. The IOA also fired many flares while military drones also fired gas bombs at the protesters. Three young men were shot with live fire, including one who sustained life-threatening wounds, and dozens suffered the effects of tear gas inhalation, in addition to cuts and bruises. (IMEMC 1 September 2021)

### **Israeli Settler Violence**

- 81 Jewish settlers defiled the Aqsa Mosque in Occupied Jerusalem under Israeli police protection. The settlers entered the holy Islamic site through Maghariba gate and left through al-Silsila gate. Israeli police allow Jewish settlers to break into Aqsa Mosque in two periods daily, morning and afternoon, except on Fridays and Saturdays, while imposing restrictions on Muslim worshipers wishing to enter the Mosque. (PALINFO 1 September 2021)

### **Home Demolition & Demolition threats**

- The Israeli occupation authorities (IOA) demolished two Palestinian houses in the village of Beit Ta'mir, east of Bethlehem. An Israeli military force escorted two bulldozers to the village, where the heavy machineries tore down two houses under construction purportedly for being built without permits. Owner of the demolished structures was identified as Elayyan Zawahreh. Meanwhile, Wafa correspondent confirmed that Israeli forces tore down another house belonging to Nasri Sbeih in Harmala village, east of Bethlehem. (Wafa 1 September 2021)
- The Israeli occupation authorities (IOA) demolished 3 agriculture facilities in Duma, in southern Nablus. (PALINFO 1 September 2021)
