Bennett's 7 minutes Worry vs. 73 years OCCUPATION

We the Palestinians say to Bennett: Every Palestinian child, adolescent, young and old, girls and boys, women and men; we had to endure your army's terror and savagery head-on (in direct ZERO minutes' time) and right in our faces, as we have been for the past 54 years,….in fact 73 years, ….And while we appreciate your admission of self-indulgence; calling yourself a "pragmatic" person…. Know this…. You and what you represent:

- Hold all 5 million+ Palestinians captives
- Exercise repression of Palestinians' right to freedom of Movement
- Exercise repression of Palestinians' right to Education
- Exercise repression of Palestinians' right to access their Religious sites
- Exercise repression of Palestinians' right to adequate Housing
- Exercise repression of Palestinians' right to Clean Water
- Exercise repression of Palestinians' right to Access their Land

The list goes on … However, what may not continue is this discriminatory and abomination regime of occupation and control over the right of an entire nation to live in peace and not chained by your occupation.

Until then, keep the following in mind:

- Israel is in violation of the International Humanitarian Law
- Israel is in violation of the Human Rights Regulations
- Israel is in violation of the United Nations Resolutions
- Israel is in violation of the United Nations Security Council Resolutions
- Israel is in violation of the Geneva Convention

It is time for you and many others on your side of the wall to revisit and reassess your vocabulary when it comes to defining your presence existence on this land. Plain and Simple … You are an OCCUPATION.
