- The Israeli occupation army (IOA) leveled large tracts of land and bulldozed hundreds of olive trees belonging to Palestinians in the al-Ras area in Salfit in the central West Bank. The Israeli bulldozers uprooted around 250 olive trees, aged 7 and 10 years old, in al-Ras area under the pretext the land is located in area C of the West Bank, under full Israeli administrative and military control. Forces also leveled large tracts of land and demolished several retaining walls in the area. (WAFa 15 November 2021)

- The Israeli occupation army (IOA) confiscated a Palestinian tractor in al-Boqei'a Meadow, in the Northern Plains of the Jordan Valley, in the occupied West Bank. The soldiers invaded Palestinian farmlands and confiscated a bulldozer, owned by Nathir Mohammad Bisharat. The lands are close to two illegal colonies that were built on Palestinian lands and are subject to frequent violations by the soldiers and the colonizers. (IMEMC 25 November 2021)
- Israeli soldiers bulldozed Palestinian farmland, and closed agricultural roads near Sbeih Mountain, south of the northern West Bank city of Nablus. The soldiers closed agricultural roads leading to the mountain by placing sandhills to prevent the Palestinians from reaching and working on their lands. The soldiers also bulldozed lands in the area, an act that has been a recurrent violation every Thursday, aiming at preventing the Palestinian vehicles, including ambulances, from reaching the mountain. (IMEMC 25 November 2021)
- Israeli bulldozers destroyed water pipes that supplies hundreds of acres of Palestinian-owned lands in the village of Atuf, east of the town of Tammun in the Jordan Valley area, northeast of the occupied West Bank. (Wafa 28 November 2021)

### **Expansion of settlements**

- The Israeli “Construction and Planning Committee” of the City Council in the occupied Palestinian capital, Jerusalem, has approved the construction of what is called a “new neighborhood” in the illegal Atarot colony, north of Jerusalem. The new constructions would take place on more than 1243 Dunams and added that the plan also includes a commercial area. The plan also includes hotels and public infrastructures in addition to more than a thousand residential units on the illegally occupied Palestinian lands. (IMEMC 25 November 2021)
