- The Israeli occupation forces (IOF) attacked Palestinian farmers, shepherds and fishermen in the besieged Gaza Strip. The IOF fired live ammunition and smoke grenades towards swaths of cultivated land in the east of Deir al-Balah, central Gaza, forcing farmers and shepherds to leave the area. In the west of Gaza, Israeli gunboats opened machinegun fire at fishermen and their boats during their presence off the coast of Rafah, south of Gaza. The intensity of the shooting forced the fishermen to return ashore. Luckily, no one was hurt in the IOF attacks in the east and west of Gaza. (PALINFO 15 March 2022)
