## Israeli Violations' Activities in the occupied State of Palestine

18 August 2022

The daily report highlights the violations behind Israeli home demolitions and demolition threats in the occupied Palestinian territory, the confiscation and razing of lands, the uprooting and destruction of fruit trees, the expansion of settlements and erection of outposts, the brutality of the Israeli Occupation Army, the Israeli settlers violence against Palestinian civilians and properties, the erection of checkpoints, the construction of the Israeli segregation wall and the issuance of military orders for the various Israeli purposes.

*The Violations are based on reports provided by field workers and/or news sources.*

*The text is not quoted directly from the sources but is edited for clarity.*

*The daily report does not necessarily reflect ARIJ's opinion.*

This DAILY REPORT is prepared as part of the project entitled ASSESSING THE IMPEDIMENTS BEFORE THE TWO-STATE SOLUTION, which is financially supported by the EU. However, the content of this presentation is the sole responsibility of ARIJ & LRC and does not necessarily reflect those of the donors.

## Violations of the Israeli Occupation Army

- Israeli soldiers killed a young Palestinian man and injured at least 36 others, including three who suffered life-threatening wounds, in Nablus, in the northern part of the occupied West Bank. The soldiers killed Wasim Nasser Abu Khalifa, 18, from Balata refugee camp, after shooting him with two live rounds in the upper chest, including one to the heart. The soldiers also shot three young men with live round in the chest, neck area and the abdomen, causing life-threatening wounds, in addition to one who was shot with a high-velocity gas bomb to the chest. 27 others suffered the effects of tear gas inhalation. Most of the Palestinians who suffered the effects of tear gas inhalation are children, including infants, who were injured while in their homes due to the intensity of the Israeli fire. The Israeli invasions targeted many areas in Nablus, including the main invasion into Joseph's Tomb area, Amman Street, Balata refugee camp and many surrounding communities. (IMEMC 18 August 2022)
- Israeli soldiers injured dozens of Palestinians during protests that took place after the army invaded Ramallah in the central West Bank. Dozens of soldiers invaded several areas in Ramallah and al-Bierih cities and attacked the protesters with live rounds, rubber-coated steel bullets, gas bombs, and concussion grenades. One Palestinian who was shot with live rubber-coated steel bullets and 33 who suffered the severe effects of tear gas inhalation. The Israeli army also invaded the main entrance area of Palestine Medical Complex in Ramallah and fired many gas bombs and concussion grenades at the Palestinians, in addition to attempting to abduct some of the wounded. (IMEMC 18 August 2022)
- Israeli navy ships attacked with live fire many Palestinian fishing boats near the Rafah shore, in the southern part of the Gaza Strip. The navy fired a barrage of live fire, in addition to flares and gas bombs, at the boats, forcing them to leave. The navy chased the boats, sailing and fishing within Palestinian waters near the shore, forcing the fishermen to dock without being able to fish to provide for their families. (IMEMC 18 August 2022)

- A Palestinian was injured by rubber-coated metal bullets, and 33 people other suffocated with tear gas, during confrontations with the Israeli occupation forces, in Ramallah and Al-Bireh cities. The occupation forces stormed the yard of the Palestine Medical Complex, and fired gas and sound bombs at Palestinians. (Wafa 18 August 2022)
- The Israeli occupation forces seized a “digger” belonging to the Ministry of Agriculture while it was working in the reclamation of lands in Masafer Yatta, south of Hebron, in the village of Al-Dirat. (Wafa 18 August 2022)
- The Israeli occupation forces raided the premises of St. Andrew’s Anglican/Episcopal Church in Ramallah. For two hours, Israeli soldiers occupied the entire complex. The soldiers wrecked the Church’s entrance, smashing the door’s glass, and pulling down the door’s lock. Eventually, the soldiers moved into the church building, the church’s hall, as well as the entire facilities of the compound. (Wafa 18 August 2022)
- The Israeli forces raided the headquarters of seven Palestinian human rights and civil society organizations in the occupied West Bank cities of Ramallah and al-Bireh and ordered the places to be shut down. The heavily-armed soldiers stormed the offices of the organizations, muscled inside, tampered with the contents, seized office equipment and documentation, shut down the main entrances with iron plates, and leaving behind military orders declaring the organizations unlawful. The organizations raided are Al-Haq, Addameer, the Bisan Center for Research & Development, Defense for Children International Palestine (DCI-Palestine), the Union of Agricultural Work Committees, the Union of Health Work Committees and the Union of Palestinian Women. In October 2021, Israel declared Addameer, Al-Haq and Bisan, along with Defense for Children International-Palestine, the Union of Palestinian Women’s Committees and the Union of Agricultural Work Committees as terrorist organizations. The declaration, which accused the groups of militant links, was met with criticism from both the United Nations and human rights organizations. (Wafa 18 August 2022)
- The Israeli occupation forces and the Israeli police raided a house in the city of Hebron, and installed surveillance cameras north of Hebron. The occupation forces and the Israeli police raided the house of Raed Azghair, in Al Karam area, west of Hebron, and searched the house and its surroundings. The occupation forces also installed surveillance cameras in the Halhul Bridge area between the city of Hebron and the town of Halhul

in the north, under the pretext of monitoring the speed of vehicles. (Wafa 18 August 2022)

## Israeli Settler Violence

- Dozens of Jewish settlers stormed the al-Aqsa Mosque in Occupied Jerusalem in the morning, under heavy police protection. According to local sources, the settlers entered the Mosque in different groups through its Maghariba Gate and toured its courtyards. (PALINFO 18 August 2022)
- Israeli colonizers attacked Palestinian cars southwest of Jenin, in the northern part of the occupied West Bank. The colonizers gathered on the main road near the illegal Dotan colony and hurled stones at Palestinian cars, causing damage. The colonizers tried to block the road and prevent the Palestinians from crossing before attacking the cars. (IMEMC 18 August 2022)
- Israeli settlers proceeded with razing a large tract of Palestinian land belonging to Qaryout village, south of Nablus. Israeli settler bulldozers continued to level the lands of the village and lay the ground work for the construction of a settler-only road to connect the colonial settlement of Shilo to that of Eli. The settlers have so forth leveled some 3-kilometer area of land for this purpose. (Wafa 18 August 2022)

## Home Demolition & Demolition threats

- The Israeli occupation forces notified to stop construction in three agricultural rooms in Al-Mughayir, east of Ramallah. The occupation forces handed notices to stop construction in three agricultural rooms and water collection wells belonging to: Suleiman Abu Alia, Nashaat Naasan, and Nizar Rabie. (Wafa 18 August 2022)
- The Israeli occupation forces demolished four agricultural rooms in the “Al-Wajh Al-Shami” area of Kafr Ad-Dik town, owned by farmers: Rabah Ayoub, Zakaria Mahmoud Rizk and Najah Harb. (Wafa 18 August 2022)
- The Israeli occupation forces demolished an agricultural room in the al-Baqan area in the town of Bruqin, west of Salfit, owned by the mayor of Bruqin, Fayed Abdel-Fattah Sabra. (Wafa 18 August 2022)
- The Israeli occupation forces notified the stop of work in the mosque of the village of Khashm al-Karm and four other houses southeast of Yatta, in the Hebron governorate, belonging to citizens Suleiman Muhammad Musa al-Najada, Mahmoud Abdullah Hussein al-Najada, Abdullah Mahmoud

Abdullah al-Najada, and Muhammad Mahmoud Muhammad al-Najada.  
Each house has an area of about 100 square metres. (Wafa 18 August 2022)
