Israeli Violations' Activities in the occupied State of Palestine

27 August 2022

The daily report highlights the violations behind Israeli home demolitions and demolition threats in the occupied Palestinian territory, the confiscation and razing of lands, the uprooting and destruction of fruit trees, the expansion of settlements and erection of outposts, the brutality of the Israeli Occupation Army, the Israeli settlers violence against Palestinian civilians and properties, the erection of checkpoints, the construction of the Israeli segregation wall and the issuance of military orders for the various Israeli purposes.

The Violations are based on reports provided by field workers and/or news sources.

The text is not quoted directly from the sources but is edited for clarity.

The daily report does not necessarily reflect ARIJ's opinion.

This DAILY REPORT is prepared as part of the project entitled ASSESSING THE IMPEDIMENTS BEFORE THE TWO-STATE SOLUTION, which is financially supported by the EU. However, the content of this presentation is the sole responsibility of ARIJ & LRC and does not necessarily reflect those of the donors.

Violations of the Israeli Occupation Army

- Israeli soldiers shot two Palestinians with live fire from guns with silencers and caused dozens to suffer the effects of tear gas inhalation in the Aseeda area in Beit Ummar, north of Hebron, in the southern part of the occupied West Bank. The Palestinians were holding a nonviolent procession in solidarity with hunger striking detainee Khalil Awawda when the soldiers attacked them with live fire, gas bombs, and concussion grenades. The soldiers then used guns with silencers to fire at the protesters, moderately wounding two young men before the medics rushed them to a hospital in Hebron. Many Palestinians suffered the severe effects of tear gas inhalation and received the needed treatment. The soldiers also invaded and searched many homes and used the rooftops as firing posts and monitoring towers. (IMEMC 27 August 2022)
- The Israeli occupation forces (IOF) opened fire and destroyed a Palestinian fishing boat off the shore of Rafah area in the south of the besieged Gaza Strip. A fishing boat was destroyed and sank after an Israeli gunboat fired machinegun rounds at it during its presence off the coast of Rafah. (PALINFO 27 August 2022)
- Two Palestinians sustained injuries with metal bullets, and more than 10 teargas suffocation cases after clashes broke out in Deir Sharaf town, northwest of Nablus. The clashes erupted when Israeli occupation forces (IOF) stormed the town in large numbers and broke into several local homes and stores, confiscating CCTV camera recordings, looking for 'wanted' persons involved in a shooting attack at Shavei Shomron settlement's security guard on Friday night. (PALINFO 27 August 2022)
- The Israeli Occupation Forces stormed the house of the grandfather of the prisoner Kamal al-Aneid, who was arrested two days ago in Silwad, east of Ramallah. Violent confrontations erupted following the raid, while at least one injury was reported. Al-Aneid was arrested a few days ago for allegedly being involved in a shooting attack on a settler bus. Home Demolition & Demolition threats

- The Israeli occupation army ordered the demolition of two rooms annexed to a home in the village of al-Walaja, in the occupied West Bank district of Bethlehem. Arafat Abu Rezq, the owner of the house stated that he was notified by the occupation army that he has a deadline of 15 days to demolish the two rooms which he recently annexed to his house, under the pretext of lacking an Israeli building permit. The army told him that in the event that he didn't demolish the two rooms, army would come back after the deadline and demolish the two rooms at his own expense. (Wafa 27 August 2022)
