

Israeli Violations' Activities in the occupied State of Palestine

24 November 2022

The daily report highlights the violations behind Israeli home demolitions and demolition threats in the occupied Palestinian territory, the confiscation and razing of lands, the uprooting and destruction of fruit trees, the expansion of settlements and erection of outposts, the brutality of the Israeli Occupation Army, the Israeli settlers violence against Palestinian civilians and properties, the erection of checkpoints, the construction of the Israeli segregation wall and the issuance of military orders for the various Israeli purposes.

The Violations are based on reports provided by field workers and/or news sources.

The text is not quoted directly from the sources but is edited for clarity.

The daily report does not necessarily reflect ARIJ's opinion.

This DAILY REPORT is prepared as part of the project entitled ASSESSING THE IMPEDIMENTS BEFORE THE TWO-STATE SOLUTION, which is financially supported by the EU. However, the content of this presentation is the sole responsibility of ARIJ & LRC and does not necessarily reflect those of the donors.

Violations of the Israeli Occupation Army

- Israeli soldiers shot a child before abducting him near Ni'lin village, west of the central West Bank city of Ramallah. The soldiers, stationed at a military roadblock near the town, stopped and searched many cars and interrogated the Palestinians while inspecting their ID cards. Many Palestinians protested near the military roadblocks before the army attacked them with live fire, rubber-coated steel bullets, and gas bombs. One child, Miqdad Mohammad Srour, 16, was shot with a live round in the leg before the soldiers abducted him. (IMEMC 24 November 2022)
- Israeli soldiers invaded the area of the Palestine Technical University – Kadoorie, in Tulkarem in the northern West Bank, and fired many live rounds, rubber-coated steel bullets, and gas bombs, causing dozens of injuries. The soldiers surrounded the university and started firing gas bombs and live rounds at Palestinians who protested the invasion, and surrounding buildings, including the campus of the education facility. Dozens of students and staffers suffered the effects of tear gas inhalation and the soldiers obstructed the arrival of Palestinian medics by surrounding and closing the area. The two students with live rounds and two with rubber-coated steel bullets and caused dozens to suffer the effects of tear gas inhalation. (IMEMC 24 November 2022)
- The Israeli soldiers invaded Marda village, north of the central West Bank city of Salfit, and fired many gas bombs and concussion grenades, in addition to installing a roadblock at the eastern entrance of the village, before stopping and searching dozens of cars and interrogating the Palestinians while inspecting their ID cards. (IMEMC 24 November 2022)
- Israeli navy ships attacked Palestinian fishing boats near the shore of Gaza city, in the besieged coastal region, wounding a fisherman. The navy ships fired many live rounds, rubber-coated steel bullets, and high-velocity gas bombs at Palestinian fishing boats in the Sudaniyya Sea area, west of Gaza city. The soldiers shot Mubarak Bakr with several rubber-coated steel bullets. Furthermore, Israeli soldiers fired many live rounds and gas bombs at Palestinian farmers on their lands east of the Tuffah neighborhood, east

of Gaza city, and east of Khan Younis, in the southern part of the coastal region. (IMEMC 24 November 2022)

- The Israeli occupation forces (IOF) attacked Palestinian farmers and fishermen in the besieged Gaza Strip, injuring one citizen. Israeli soldiers opened fire from their border posts at farmers and their fields in the east of Khan Yunis in southern Gaza. The IOF launched a teargas attack on farmers and their lands in the east of at-Tuffah neighborhood in Gaza City. Luckily, all the farmers escaped unhurt from the targeted areas. Meanwhile, several fishermen and their boats also came under gunfire attack from Israeli gunboats as they were working within a few nautical miles off the coast of Gaza City. (PALINFO 24 November 2022)
- A Palestinian child was shot, injured and detained this evening by Israeli occupation forces near the town of Ni'lin, to the west of Ramallah in the occupied West Bank. Israeli soldiers opened gunfire at 16-year-old Meqdad Abu Srour at a checkpoint at the entrance to the town, before they detained him. (WAFa 24 November 2022)
- Israeli navy attacked fishing boats offshore al-Sudaniya area, west of Gaza, and injured a fishermen. The Israeli navy intercepted and opened machine gunfire towards fishing boats sailing offshore the area, wounding a fishermen by a rubber-coated steel round and forcing others to flee for their safety. Meanwhile, the soldiers in borderline watchtowers opened tear gas canisters towards farmlands, east of Gaza's neighborhood of al-Tuffah neighborhood as well as east of Khan Younes district, but without injuries. (WAFa 24 November 2022)

Israeli Settler Violence

- A group of settlers attacked Palestinian cars at the Mahkama checkpoint near the settlement of Beit El in the north of Bireh City. The settlers hurled rocks at Palestinian cars traveling on the road leading to the checkpoint, damaging some of them. Later, the settlers closed the checkpoint in both directions of the road, forcing Palestinian drivers to use alternative routes. (PALINFO 24 November 2022)
- In southern Nablus, settlers burned a Palestinian-owned car and attacked a home in Burin village. A number of settlers from the settlement of Yitzhar attacked the house of Umm Ayman Sufan in southern Burin, damaged its windows and torched a parked car belonging to the homeowner's son. The

- settlers tried to set fire to Sufan's house, but local residents rushed to the area and fended them off. (PALINFO 24 November 2022)
- In southern Bethlehem, a group settlers attacked Palestinian homes in the hamlet of Beit Sakariya, which is located in the middle of the Etzion settlement bloc. (PALINFO 24 November 2022)
 - A crew from the Israeli nature authority escorted by soldiers stormed the Umm al-Abar area in the northern Jordan Valley and seized 12 cows belonging to Palestinian citizens from the family of Masa'eid. (PALINFO 24 November 2022)
 - Israeli settlers attacked Palestinian vehicles with stones in the area of Wadi ad-Delb, to the west of Ramallah in the central West Bank, causing damage to some of them. Sameh Erman, a Palestinian driver, was surprised by a group of Israeli settlers blocking the road ahead of him and attacking his vehicle with stones, causing damage to his vehicle. Erman was miraculously not injured in the attack. The attack also shattered the front windshield of his vehicle and scattered glass fragments in the interior of the car. The settlers were hiding behind cement cubes placed by the Israeli occupation forces on the road. (WAFA 24 November 2022)

Home Demolition & Demolition threats

- Israeli occupation authorities tore down three agricultural rooms in Kafr ad-Dik town, west of the occupied West Bank city of Salfit. Israeli soldiers escorted a bulldozer into the northern part of the town, where the heavy machinery razed three agricultural rooms belonging to three farmers. (WAFA 24 November 2022)

Confiscation & Razing of lands

- The Israeli occupation army's civil administration issued planning permits for a vast tract of annexed Palestinian land in Salfit province. The civil administration issued planning permits allowing the use of over 360 dunums of land annexed from the villages of Bidhya and Kafr ad-Dik in Salfit, pointing out that this tract of land had been seized and declared as Israeli state land in 1984. The Israeli step reflected that the Israeli occupation authority (IOA) plans to legitimize the settler outpost of Tel Shacharit in the area.

- The Israeli civil administration issued permits for 320 dunums of land annexed from the villages of al-Kader, Nahalin and Artas in Bethlehem province in order to use them for the expansion of several settlements, including Daniel, El'azar and Efrat. (PALINFO 24 November 2022)
- Israeli occupation forces confiscated two caravans and razed a land in the village of Atara, to the north of Ramallah in the occupied West Bank. The Israeli occupation army confiscated two caravans belonging to Palestinian owners and bulldozed a land in the village. An Israeli army force raided the village, confiscated two caravans and demolished a retaining wall and a shack owned by local residents. The area where the demolition took place is classified as Area C, under full Israeli military and civil control, and where Palestinians are almost completely denied building permits by the Israeli occupation authorities.
