Israeli Violations' Activities in the occupied State of Palestine

6 February 2023

The daily report highlights the violations behind Israeli home demolitions and demolition threats in the occupied Palestinian territory, the confiscation and razing of lands, the uprooting and destruction of fruit trees, the expansion of settlements and erection of outposts, the brutality of the Israeli Occupation Army, the Israeli settlers violence against Palestinian civilians and properties, the erection of checkpoints, the construction of the Israeli segregation wall and the issuance of military orders for the various Israeli purposes.

The Violations are based on reports provided by field workers and\or news sources.

The text is not quoted directly from the sources but is edited for clarity.

The daily report does not necessarily reflect ARIJ's opinion.

Violations of the Israeli Occupation Army

- Israeli soldiers shot three Palestinians with live fire and caused at least three to suffer the effects of tear gas inhalation after the army invaded the Aqabat Jaber refugee camp, south of Jericho, in the northeastern part of the occupied West Bank. Many army jeeps surrounded the refugee camp before invading it, leading to protests, before firing many live rounds, rubber-coated steel bullets, and gas bombs. The soldiers shot three young men with live fire in the legs and caused at least three to suffer the effects of tear gas inhalation. The soldiers obstructed the work of its medics and attacked one of its ambulances while trying to prevent it from entering the refugee camp. The soldiers also stormed, ransacked several homes in the refugee camp, and abducted a few Palestinians; one was identified as Shaker Amarna. (IMEMC 6 February 2023)

- Israeli soldiers uprooted hundreds of olive trees, in Marda village, north of Salfit, in the central part of the occupied West Bank. The soldiers invaded the western area of the village and uprooted hundreds of perennial olive trees as part of a project to install water pipelines for the illegal segregated colonies built on stolen Palestinian lands in the Salfit governorate. The Israeli waterlines project is still ongoing and will lead to thousands of perennial trees uprooting. The orchards Israel is uprooting are filled with olive trees, the only source of livelihood for dozens of families in the area. (IMEMC 6 February 2023)

- Israeli soldiers killed five Palestinians, including two siblings, injured many others, and abducted eight, in the Aqabat Jaber refugee camp, south of Jericho, in the northeastern part of the occupied West Bank. **The** five of the five slain Palestinians have been identified as Rafat◌ Wa'el Awadat, 21, and his brother Ibrahim, 27, Adham Majdi Awadat, 22, Tha'er Khaled Awadat, 27, and Malek Lafi, 22. The soldiers took the five men's corpses away after refusing to allow Palestinian medics to take them. The Israeli army and the Israel Security Agency (Shabak) carried out a joint operation to capture the Palestinians fighters in the refugee camp and exchanged fire with them. The army added that its soldiers killed the five Palestinian fighters and stated it invaded the refugee camp to capture Hamas fighters suspected of firing at a restaurant in the illegal Vered Yeriho illegal colony on January 27h. (IMEMC 6 February 2023)

- Dozens of Palestinians suffocated from inhaling tear gas fired at them by Israeli occupation soldiers in the southern West Bank town of Beit Ummar, north of Hebron. Palestinian youths clashed with soldiers in the town during which the soldiers fired several tear gas canisters at them causing a large number of suffocation cases. (WAFA 6 February 2023)

Israeli Settler Violence

- Dozens of Jewish settlers desecrated the Aqsa Mosque in Occupied Jerusalem. At least 221 settlers entered the Mosque in groups through its Maghariba Gate and toured its courtyards under tight police guard. During their tours at the Islamic holy site, the settlers received lectures from rabbis about the alleged temple mount, and a number of them performed Talmudic prayers in the eastern area of the Mosque. (PALINFO 7 February 2023)

Home Demolition & Demolition threats

- Israeli police and the "City Council" in the occupied capital, Jerusalem, are preparing to demolish a residential building housing more than 100 Palestinians, including children, in Silwan town, south of Al-Aqsa Mosque. The building would likely be demolished on Tuesday or Wednesday, and the destruction could take up to 24 hours. The four-story building houses twelve families of at least 100 Palestinians, who will be rendered homeless. More than 500 police officers and soldiers will demolish the property and encircle the entire area after receiving the green light from the fanatic, right-wing "National Security Minister, Itamar Ben-Gvir of the "Jewish Power Party." The Jerusalem Municipality claiming that it "routinely demolishes houses under the provision of the law." Israel delayed the demolition of the property for several years due to international pressure, but despite attempts by various world leaders, Ben-Gvir said he would demolish the building to "enforce the law." (IMEMC 6 February 2023)

Israeli Military Orders

- The Israeli occupation authorities (IOA) ordered the confiscation of hundreds of Palestinian agricultural dunums, southwest of Bethlehem. The IOA notified the confiscation of 490 dunums of Nahalin and Al-Jabaa lands

in favor of expanding Alon Shvut and Geva'ot illegal settlements. (PALINFO 6 February 2023)

Expansion of Israeli settlements

- The Israeli occupation government decided to establish a new Jewish settlement near the northern border of the Gaza Strip. Israeli premier Benjamin Netanyahu said that his government decided to prepare a construction plan for a new settlement near Gaza soon, describing the decision to build this settlement as an appropriate response to what he labeled as "terrorism".
