Violations of the Israeli Occupation Army

- Israeli soldiers killed a Palestinian child in Nablus, in the northern part of the occupied West Bank. Several armored military vehicles invaded Nablus, leading to protests before the soldiers fired a barrage of live fire, rubber-coated steel bullets, gas bombs, and concussion grenades. The soldiers killed Hamza Amjad Al-Ashqar, 17, from Askar Al-Jadid refugee camp in Nablus, after shooting him with a live round in the face. The soldiers shot the child when the military vehicles were withdrawing from the Housing Projects area in Nablus. The soldiers also shot six Palestinians, including one who suffered serious wounds, and caused at least three to suffer the effects of tear gas inhalation. The soldiers attacked one of its ambulances and stopped medics while rushing to provide aid to wounded Palestinians. (IMEMC 7 February 2022)

Israeli Settler Violence

- Dozens of Jewish settlers desecrated the Aqsa Mosque in Occupied Jerusalem. At least 71 settlers entered the Mosque in groups through its Maghariba Gate and toured its courtyards under police protection. During their tours at the Islamic holy site, the settlers received lectures from rabbis about the alleged temple mount, and a number of them performed Talmudic prayers in the eastern area of the Mosque. Meanwhile, the Israeli occupation police imposed movement and entry restrictions on Muslim worshippers at the Aqsa Mosque's Other. (PALINFO 7 February 2023)
