Brutality of the Israeli Occupation Army

- The Israeli occupation authorities handed over a warning to the residents of At Tuwani village in Masafer Yatta and administering the mosque in the vilage, preventing them from raising the 'adhaan' via loudspeakers, and threatened to confiscate the audio equipment if the adhaan continued to be heard via loudspeakers. (Wafa 13 October 2017)
- Israeli occupation Army (IOA) raided several Palestinian houses in the village of Tequ', east of Bethlehem city, two of which were identified as

owned by Asem and Nayef Musa Al Imour. The IOA searched the houses and handed citizens Al Imour a written statement warning the residents of the area that the IOA would continue their daily harassment to the village if Palestinians continue to 'throw stones at Israeli settlers' cars". (Wafa 13 October 2017)

- Israeli Occupation Army (IOA) raided the village of Kufr Qaddum east of Qalqilyia, and suppressed a peaceful anti-settlement demonstration demanding the opening of the village's road, which has been closed for more than 14 years. The IOA fired sound and tear-gas bombs to disperse Palestinians. The IOA also stormed the houses of Hakam Khaldoun and Zuhdi Eshtawi in the village, occupied the rooftops of the houses and transformed them to observation points where the IOA took pictures and videos of the young Palestinians participating in the demonstration. (Wafa 13 October 2017)

Israeli Arrests

- Israeli occupation forces arrested 'Alaa Mahmoud' Ali al-Sulaybi, 26, after he was arrested at a flying checkpoint near Ramallah. He was taken to an unknown destination. (Wafa 13 October 2017)

Erection of Israeli checkpoints

- The Israeli occupation Army (IOA) erected two military checkpoints south of Jenin city. The first was erected at the entrance tof Ya'bad village while the second was erected at Kufeirat village junction. Soldiers manning the newly erected checkpoints stopped Palestinian vehicles driving on the road, checked Palestinians' ID cards and searched vehicles. This has obstructed the movement of Palestinians, while the IOA has intensified its military presence around the village of Ya'bad and the neighboring villages. (Maannews 13 October 2017)
