Violations of the Israeli occupation Army

- Dozens of Palestinians suffocated from teargas inhalation during clashes that erupted with Israeli occupation Army (IOA) in the East Jerusalem neighborhood of Issawiya. The IOA raided the neighborhood, stopped Palestinian youths while walking in the streets, and stopped and searched dozens of vehicles before they randomly lunched teargas and stun grenades at peoples' homes. The IOA broke into homes, assaulted residents and arrested a Palestinian youth. The neighborhood has been subjected to constant assault by the IOA because its residents keep protesting Israeli occupation measures against them. (Wafa 19 March 2020)
- Israeli police summoned Sheikh Omar Kiswani, director of Al-Aqsa Mosque in Jerusalem, for questioning at the Russian Compound interrogation center in West Jerusalem. The police summoned Kiswani to immediately appear before it without giving any reason for the summons. (IMEMC 19 March 2020)

The IOA stormed the village and demolished a residential structure and a barn belonging to one Palestinian resident, and then proceeded to demolish another shack and the foundation of a previously demolished home belonging to another village resident. Younes Jafar, a local member of Sawahreh municipality. The owners of the structures are Saleem Zahayka and Hasan Hadaleen respectively. (IMEMC 19 March 2020)
