Violations of the Israeli occupation Army

- Israeli troops invaded Ya'bad village, west of Jenin city and stormed the homes of Mohammad B'ajawi and Adham Omar, 25, before detaining the youths, taking them to an unknown location. Noteworthy, Israeli troops have abducted 55 Palestinian residents from the Ya'bad village, over the past two months, with frequent military invasions into the village. (IMEMC 11 July 2020)
- Israeli occupation army (IOA) attacked dozens of non-violent Palestinian protesters, holding a peaceful demonstration against Israel's illegal colonial settlements, outside the village of Asira ash-Shamaliya, north of Nablus city in the northern occupied West Bank. The IOA fired tear-gas canisters, concussion grenades, and rubber-coated steel rounds at Palestinians and international activists protesting the occupation authorities' plan to confiscate a plot of Palestinian-owned land near the village. A plot of land where illegal Israeli settlers recently set up two caravans in an apparent prelude to the establishment of a new illegal outpost. At least eleven protesters were reported to be injured, one of whom is, Hazem Yasin, the mayor of Asira ash-Shamaliya, who sustained fractures in the hand after being hit by a teargas canister. Some suffered the toxic effects of tear-gas inhalation, some were injured from concussion grenades, while others were said to have been beaten by IOA with clubs. (IMEMC 11 July 2020)
- Israeli occupation army (IOA) detained both Abdullah Dweik, and Ahmad Ali Ahmad, after invading their homes in Al-Jalazoun refugee camp in Ramallah, central West Bank. Confrontations flared up between Palestinian residents of Al-Jalazoun and the IOA who fired tear-gas canisters at the civilians protesting the invasion. The army confiscated the cellphones of Palestinian journalists present at the scene, obstructing their ability to cover the incident. (IMEMC 11 July 2020)
- Meanwhile, the Israeli military stormed a Palestinian home in Jabal al-Mukabber village in East Jerusalem, in south of the West Bank, and detained an unidentified Palestinian young man. (IMEMC 11 July 2020)

- Israeli occupation army (IOA) opened fire at Palestinians, at the weekly protest against Israeli settlements and the annexation plan, in Kufur Qaddoum town, in the northern occupied West Bank Governorate of Qalqilia. The IOA fired tear-gas canisters and rubber-coated steel rounds towards protestors marching against Israel's annexation schemes, and its settlement activities. Dozens of demonstrators suffered the toxic effects of tear-gas inhalation. (IMEMC 11 July 2020)
