  - Three Palestinians were kidnaped by the Israeli Occupation Forces (IOA) after a car carrying six workers broke down in the east of Yatta, south of al-Khalil, after a military patrol vehicle chased them. Israeli soldiers kidnaped

three workers and let three others go after chasing them in the area. (PALINFO 24 April 2022)

- In Qalqilya, the Israeli Occupation Forces (IOA) fired stun grenades at West Bank workers near a hole in a separation fence in Hableh town. (PALINFO 24 April 2022)

## Israeli Settler Violence

- Four Palestinian citizens were shot and wounded by Jewish settlers in Surif town to the northwest of Hebron. Jewish settlers from the nearby settlement of Bat Ayin attacked the village of Surif under the protection of the IOF soldiers who were present in the area. Dozens of citizens from nearby hamlets rushed to the aid of the people of Surif, to repel the settlers' attack, which led to the outbreak of confrontations with the occupation forces, who fired gas bombs at them. (PALINFO 24 April 2022)
- Israeli colonizers attacked several Palestinians, including children, in Qaryout village, south of Nablus, in the northern part of the occupied West Bank. The colonizers invaded the area of a water spring southeast of Qaryout village. The colonizers attacked many Palestinians and forced them to leave their lands and the water spring. Israeli soldiers arrived at the scene and started firing gas bombs and concussion grenades at the Palestinians instead of removing the assailing colonizers. (IMEMC 24 April 2022)
- Israeli colonizers shot three Palestinians in the al-Qreinat area of Surif town, northwest of Hebron, in the southern part of the occupied West Bank. The colonizers invaded Palestinian lands in the area and fired many live rounds at the local farmers and residents to force them to leave. The colonizers shot one Palestinian with a live round in the abdomen, and another man with a live round in the leg, while the third Palestinian was injured by fragments from the bullets in the arms and legs. The three are from the Ghneimat family, where their wounds have been described as mild-to-moderate.
