Israeli Violations' Activities in the occupied State of Palestine

11 June 2022

The daily report highlights the violations behind Israeli home demolitions and demolition threats in the occupied Palestinian territory, the confiscation and razing of lands, the uprooting and destruction of fruit trees, the expansion of settlements and erection of outposts, the brutality of the Israeli Occupation Army, the Israeli settlers violence against Palestinian civilians and properties, the erection of checkpoints, the construction of the Israeli segregation wall and the issuance of military orders for the various Israeli purposes.

The Violations are based on reports provided by field workers and/or news sources.

The text is not quoted directly from the sources but is edited for clarity.

The daily report does not necessarily reflect ARIJ's opinion.

This DAILY REPORT is prepared as part of the project entitled ASSESSING THE IMPEDIMENTS BEFORE THE TWO-STATE SOLUTION, which is financially supported by the EU. However, the content of this presentation is the sole responsibility of ARIJ & LRC and does not necessarily reflect those of the donors.

Violations of the Israeli Occupation Army

- Israeli soldiers injured Palestinian farmers on their lands near the perimeter fence east of Gaza city. The soldiers, stationed on military towers across the fence, fired many live rounds and gas bombs at the farmers east of the Zeitoun neighborhood east of Gaza city. The attack caused many farmers to suffer the effects of tear gas inhalation and forced them to leave their lands. The soldiers chased and surrounded Palestinian fishing boats in the al-Waha area, in northern Gaza, before attacking them with water cannon. (IMEMC 11 June 2022)
- Israeli soldiers invaded the al-'Arroub refugee camp, north of the southern West Bank city of Hebron, injured a child, and caused many Palestinians to suffer the effects of tear gas inhalation. Dozens of soldiers invaded the refugee camp, leading to protests before the army fired live rounds and gas bombs at the protesters and surrounding homes. A child, Rida Mohammad Jawabra, 13, was injured by shrapnel from live fire. Many Palestinians who suffered the effects of tear gas inhalation, cuts, and bruises. (IMEMC 11 June 2022)
- Israeli soldiers chased and attacked dozens of Palestinian workers in several areas near the Annexation Wall west of Jenin, in the northern part of the occupied West Bank. The attacks took place near the Annexation Wall in the villages of the al-Jalama, Arrana, Aneen, and Tayba, where the soldiers chased dozens of workers while trying to cross the various gates of the Annexation Wall. The soldiers fired gas bombs and concussion grenades at the workers and chased them to remove them from the area. The soldiers also invaded the al-Jabriyyat neighborhood in Jenin city and conducted massive searches of homes and property in the area. (IMEMC 11 June 2022)
- Israeli soldiers shot a Palestinian teen in Nabi Saleh village, northwest of the central West Bank city of Ramallah, just four years after shooting him in the head, causing a skull fracture. The soldiers shot Mohammad Fadel Tamimi during a procession in Nabi Saleh village. The soldiers shot Mohammad with a sponge-tipped bullet in the head; his condition has been

described as stable. The soldiers also shot his brother in the same incident. (IMEMC 11 June 2022)

- Israeli soldiers shot a young man with live ammunition and caused many Palestinians to suffer the effects of tear gas inhalation, in the center of Hebron city, in the southern part of the occupied West Bank. The Palestinians marched toward the permanent military roadblock at the entrance of Shuhada Street before the soldiers attacked them with live fire, gas bombs, and concussion grenades. The soldiers shot a young man with live fire in the leg, causing a moderate injury, and dozens of Palestinians suffered the effects of tear gas inhalation. (IMEMC 11 June 2022)

Israeli Settler Violence

- Israeli colonizers burnt Palestinian farmlands and attacked homes in Burin village, south of the northern West Bank city of Nablus. The colonizers came from the illegal Givat Ronim colony, built on stolen Palestinian lands. The colonizers burnt large areas of farmlands in the eastern part of the village and attacked several homes, in addition to obstructing the Palestinian firefighters' efforts to extinguish the fire before it reached the homes. The owners of some of the attacked homes have been identified as Najeh Omran, Idrees Huwwari, and Anas Huwwari. (IMEMC 11 June 2022)
- Israeli colonizers attacked a Palestinian shepherd while herding his flock in the Masafer Yatta area, south of Hebron, in the southern part of the occupied West Bank. The colonizers attacked Hamza Ahmad Najjar near the Shu'ab al-Batem area, causing various cuts and bruises. The settlers came from a nearby outpost. (IMEMC 11 June 2022)
- Israeli colonizers attacked many Palestinians in the Khirbat Zannouta village, south of Hebron, in the southern part of the occupied West Bank, wounding two. The colonizers hurled stones at the Palestinians and attacked them with batons while working on their lands. Two Palestinians, Samer at-Till, 41, and Sa'id al-Khdeirat, 48, suffered various wounds. Their conditions have been described as moderate. (IMEMC 11 June 2022)
- Israeli soldiers shot seven Palestinians with rubber-coated steel bullets and caused dozens to suffer the effects of tear gas inhalation during the weekly

procession in Kufur Qaddoum town, east of Qalqilia, in the northern part of the occupied West Bank. The Palestinians, accompanied by international peace activists, marched in the village before the soldiers attacked them with rubber-coated steel bullets, gas bombs, and concussion grenades. The soldiers shot seven young men with rubber-coated steel bullets to various parts of their bodies and caused dozens to suffer the effects of tear gas inhalation. The soldiers also invaded and ransacked many homes in Kufur Qaddoum and interrogated the families. In addition, the soldiers ambushed the protesters in the olive orchards in Kufur Qaddoum and tried to abduct them. (IMEMC 11 June 2022)
