## Violations of the Israeli Occupation Army

- Israeli navy ships attacked several Palestinian fishing boats with live fire near the shores of Jabalia, Beit Lahia, and Gaza city in the besieged coastal region. The navy fired many live rounds and gas bombs at the fishing boats and attacked them with water cannons, causing damage. The intensity of the navy's live rounds fired at the fishing boats forced the Palestinians to leave and return to the shore. The attacks occurred in Palestinian waters in the al-Waha area, northwest of Gaza city, the as-Sudaniyya area west of Jabalia, and near Beit Hanoun, in the northern parts of the coastal region. (IMEMC 24 June 2022)
- Israeli soldiers injured nine Palestinians, including a Palestine TV correspondent, during the weekly procession against colonialism in Kufur Qaddoum, east of the northern West Bank city of Qalqilia. The soldiers attacked the protesters with many live rounds, rubber-coated steel bullets, and gas bombs. Nine Palestinians, including a journalist Anal al-Jada', suffered the effects of tear gas inhalation and received the needed treatment. Many Palestinian youngsters also hurled stones at the soldiers who attacked the procession and tried to invade the center of the town. (IMEMC 24 June 2022)
- The Israeli soldiers shot a medic of the Palestinian Medical Relief Society with a gas bomb in the face in Beit Dajan near the northern West Bank city of Nablus. Fourteen Palestinians also suffered the effects of tear gas inhalation, and one sustained cuts and bruises. (IMEMC 24 June 2022)
- In Sbeih Mountain in Beita town near the northern West Bank city of Nablus, the Israeli soldiers caused at least four Palestinians to suffer the effects of tear gas inhalation. An international peace activist was also injured after the army attacked nonviolent protesters in the nearby Burin town. (IMEMC 24 June 2022)
- In Qaryout, the Israeli soldiers attacked the nonviolent protesters with gas bombs, concussion grenades, and rubber-coated steel bullets, causing many to suffer the effects of tear gas inhalation. Illegal Israeli colonizers also

attacked the Palestinians in the village, especially when the colonizers invaded the water springs area, while the army fired gas bombs at the residents who intercepted the attack. The colonizers have constantly been invading Qaryout's lands, especially the area of its two historic water springs, to occupy them and prevent the Palestinians from using them. (IMEMC 24 June 2022)

- Israeli soldiers shot one Palestinian and caused several others to suffer the effects of tear gas inhalation in Qabatia town and Mothallath ash-Shuhada village, south of Jenin, in the northern part of the occupied West Bank. Several army jeeps invaded Qabatia and Mothallath ash-Shuhada, leading to protests before the army fired live rounds, rubber-coated steel bullets, and gas bombs. The soldiers shot a young man with a live round in the abdomen, causing a moderate injury. Many Palestinians suffered the effects of tear gas inhalation. (IMEMC 24 June 2022)
- Israeli colonizers hoisted the flag of Israel atop a mosque in Kisan village, east of Bethlehem city. A group of colonizers sneaked their way into the southern West Bank village, vandalized the main entrance of a local mosque, and attempted to break inside, but could not do so. The vandals, ascended to the mosque roof, and hoisted a flag of Israel. (IMEMC 24 June 2022)

### **Expansion of Israeli settlements**

- The Israeli occupation authority (IOA) has recently approved a new settlement plan to be built at the expense of Palestinian lands in Salfit and Qalqilya, in the northern West Bank. The plan includes the establishment of a new industrial settlement. The settlement plan will lead to the confiscation of 320 dunums of Palestinian lands, 174 dunums in Qalqilia and 156 dunums in Salfit. (ARIJ , PALINFO 24 June 2022)
