

Israeli Violations' Activities in the occupied State of Palestine

28 December 2022

The daily report highlights the violations behind Israeli home demolitions and demolition threats in the occupied Palestinian territory, the confiscation and razing of lands, the uprooting and destruction of fruit trees, the expansion of settlements and erection of outposts, the brutality of the Israeli Occupation Army, the Israeli settlers violence against Palestinian civilians and properties, the erection of checkpoints, the construction of the Israeli segregation wall and the issuance of military orders for the various Israeli purposes.

The Violations are based on reports provided by field workers and/or news sources.

The text is not quoted directly from the sources but is edited for clarity.

The daily report does not necessarily reflect ARIJ's opinion.

This DAILY REPORT is prepared as part of the project entitled ASSESSING THE IMPEDIMENTS BEFORE THE TWO-STATE SOLUTION, which is financially supported by the EU. However, the content of this presentation is the sole responsibility of ARIJ & LRC and does not necessarily reflect those of the donors.

Violations of the Israeli Occupation Army

- A Palestinian woman today sustained an injury from Israeli army gunfire in Jaba' town, south of Jenin city, according to local and security sources. They said that the heavily-armed soldiers raided the northern West Bank town and opened fire at a 39-year-old woman while she was in front of her family house, hitting her by a round in the foot. The casualty was rushed to a hospital for treatment. (Wafa 28 December 2022)
- Israeli army Tuesday night seized agricultural machinery from Khirbet Umm al-Jamal, east of Tubas city, in the northern Jordan Valley, according to human rights sources. They said that Israeli forces barged their way into the Bedouin community and confiscated a truck belonging to Adel Awad. They also stormed the nearby locality of al-Malih and confiscated two tractors and two water tankers. (Wafa 28 December 2022)
- Israeli army Wednesday morning targeted Palestinian farmers, east of Khan Younes and Rafah districts, in the southern besieged Gaza Strip, according to Wafa correspondent. He said that the heavily-armed soldiers stationed along Gaza's eastern frontier directly opened gunfire towards the farmlands, east of the districts, forcing farmers to flee for their safety. Meanwhile, Israeli naval boats opened machine gunfire towards fishermen sailing offshore Rafah, forcing them to return to the shore for their safety. There were no casualties. (Wafa 28 December 2022)
- On Tuesday evening, Israeli soldiers confiscated two Palestinian agricultural tractors and two water trucks in the Al-Maleh Village in the Northern Plains of the Jordan Valley in the occupied West Bank. Media sources said the soldiers invaded agricultural lands and confiscated two tractors owned by Soheib Borhan Daraghma and Ahmad Abdul-Rahma Ersheid while working on Palestinian lands. The soldiers closed the area before invading the Palestinian lands, confiscating the tractors, and forcing the Palestinians out. It is worth mentioning that the soldiers have confiscated more than 100 agricultural vehicles, including tractors, towed carts and containers, water tanks, and cars, from the Palestinians in several parts of the Northern Plains since the beginning of this year. (IMEMC 28 December 2022)

Israeli Settler Violence

- Israeli settlers today attacked Palestinian farmers working in their lands in Masafer Yatta in the South Hebron Hills and forced them to leave the area, according to Fouad al-Imour, a local activist. He told WAFA that settlers, protected by soldiers, attacked farmers and prevented them from attending to their lands in the Lasayfer community in Masafer Yatta. The settlers also trashed the seeds the farmers were planting in their lands. (WAFA 28 December 2022)
- Israeli settlers today fenced off a tract of land belonging to the villagers of Khirbet As-Samra in the northern Jordan Valley, according to local sources. They said that the settlers broke into a tract of land, located to the north of the village, and fenced it off as a prelude to take it over to serve as the nucleus of a new colonial settlement outpost. The landowners have title deeds proving their ownership of the land. (WAFA 28 December 2022)
- Dozens of extremist Jewish settlers desecrated the Aqsa Mosque in Occupied Jerusalem on Wednesday morning and later in the afternoon. According to local sources, at least 107 settlers escorted by police officers entered the Mosque in groups through its Maghariba Gate and toured its courtyards under police protection. During their tours at the Islamic holy site, the settlers received lectures from rabbis about the alleged temple mount, and a number of them performed Talmudic prayers in the eastern area of the Mosque. Meanwhile, the Israeli occupation police imposed movement and entry restrictions on Muslim worshipers at the Aqsa Mosque's entrances and gates. (PALINFO 28 December 2022)
- Violent clashes erupted in Silwan town in Occupied Jerusalem between local residents and Israeli police forces late on Tuesday. The confrontations broke out after Israeli forces stormed the town amid heavy firing of teargas bombs. At least one young man was detained during the events. Since the early morning hours of Tuesday, tensions have been rising high in Silwan town after dozens of Jewish settlers protected by police officers seized a plot of land owned by the Greek Orthodox church in the area. (PALINFO 28 December 2022)

Confiscation & Razing of lands

- The Israeli occupation forces (IOF) attacked on Wednesday morning an agricultural area and fishermen in the east and west of the besieged Gaza

Strip. According to local sources, Israeli soldiers opened machinegun fire from their posts at agricultural fields in a border area in the east of southern Gaza, particularly in Khan Yunis and Rafah, forcing farmers to leave the area. Meanwhile, Israeli gunboats attacked fishermen and their boats with live ammunition during their presence within a few nautical miles off the shore of Rafah in southern Gaza and forced them to return ashore. No one was reportedly hurt in the IOF shooting attacks. (PALINFO 28 December 2022)
